# Stockton & Darlington Railway

The Stockton & Darlington Railway Youth Team (SDRYT) is open to young people aged 10 to 16 (must be under 16 when applying). The SDRYT offers members wide range of volunteering, work experience and leisure opportunities. Membership is free and a great way to make new friends and do something different. All members benefit from free travel on train services operated by Northern.

Work experience and volunteering placements are available to SDRYT members at a network of host organisations and members also have the opportunity to go on educational and leisure visits to railways outside of the local area and also on organised leisure trips and activities.

The SDRYT is based at Bishop Auckland Railway Station but we also have a training facility at Stanhope station which is also the home of the SDRYT model railway display which opens to the public on specific dates during the year.

Our network of host organisations (as at October 2018)

## Bishop Trains Rail Travel Centre & Station

## Bishop Auckland & North Road Station Adoption

## Northern Rail Bishop Line Station Support Team

## Bishop Trains Excursions by Rail & Festive Capital Express

## Weardale Railway

## Head of Steam Museum Darlington

**Interested?** The first stage of joining the SDRYT is to send us a completed application form, you will then be invited to attend a welcome session where you will be issued with your SDRYT handbook and given details about the work experience, volunteering opportunities and activities that will be available to you.
